

Company Policies

Company Policies During Covid-19:

The following applies to the Fall Dance Program being conducted during the months of September, October, and December 2021.

The minimum class size will be 3 couples.

The maximum class size, as determined by NS Health guidelines (for Performing Arts & Sports), **Phase 4 Opening Plan**, dated 14 July 2021, is 23 participants & 2 instructors.

Notwithstanding, class size will be limited as follows:

- Trena's Studio (1119 Bedford Highway) - 16 persons & 2 Instructors
- Edgett Dance & Wellness (59 McQuade Lake Crescent) - 23 persons & 2 Instructors
- Dancespace (1531 Grafton Street) - 23 persons & 2 instructors

Each class is one hour in duration.

Covid-19 Requirements

All participants are required to show proof of double vaccination against Covid-19.

All participants will provide signed copies of a Covid-19 Liability Waiver at the start of the Dance Term.

Covid-19 waivers are to be filled out and dated on the day of your first class.

You may request a copy of a waiver via email.

You may print the waiver, fill in required information, and bring it to your first class.

You may also scan the waiver after filling it out, and forward it, to us, in jpeg or pdf format on the day of your first class.

We will have blank copies which may be filled out when you arrive for your first class.

Physical distancing is not required during each class

We are following the NS Health document issued Phase 4, dated 14 July 2021.

This directive addressing "Performance Arts & Sports" allows for "Social Groups" to a maximum of 25.

Each class is a "Social Group" or "Bubble Group", and is the same for the duration of the Dance Term.

A Dance Partner or Dance Volunteer is to be the same person for the duration of the Dance Term.

Physical distancing is not required within each "Social Group".

The wearing of face masks is not mandatory while in class.

The wearing of face masks is up to the individual, but is not recommended during fast dances.

In order to adhere to the "Social Group" concept, **we cannot allow "Drop Ins"**.

Physical distancing is required during the exiting and entry period between each class

Masks are required when physical distancing cannot be maintained between one "Social Group" and another "Social Group". This will occur off of the dance floor when one group encounters another group during exiting and entry to the building. Generally, this will occur in reception areas off of, or separate from, the dance floors.

At Trena's Studio (1119 Bedford Highway)

Wear a mask to enter the building and keep the mask on while in the reception area. After changing to dance shoes, leave your street shoes in the reception area, and bring your jackets & purses into the dance floor area. Masks may be removed while on the dance floor. When your class is over, don your mask, enter the reception area, change quickly into street shoes & outer wear, and exit the building without delay. The next class may wait in the reception area, and proceed to the dance floor only after all of the previous class has exited the dance floor. There will be mingling between groups in the reception area, and mask wearing is required in that area. Avoid touching surfaces.

At Edgett Dance & Wellness (59 McQuade Lake Crescent):

Wear a mask to enter the building, and keep the mask on while in transit from the front door to the dance floor. During inclement weather (winter), change into dance shoes on the ground floor reception area. Leave soiled outdoor footwear on the ground floor. Bring your jackets & purses to the dance floor. Masks may be removed while on the dance floor. When your class is over, don your mask, to transit from the dance floor to the reception area, and subsequently to the assigned exit door. The next class may wait in the reception area, and proceed to the dance floor only after all of the previous class has exited the dance floor. There will be mingling between groups in the reception and circulation areas, and mask wearing is required in those areas. Avoid touching surfaces.

At 1531 Grafton Street (3rd Floor):

Wear a mask to enter the building and keep the mask on while in the lobby, elevator, the 3rd floor reception area, and the tiered seating area. Minimize the number of persons on the elevator. Enter the large dance floor space, proceed to the tiered seating area with all of your belongings, change to dance shoes, and leave your items in the tiered seating area. Keep masks on while in the tiered seating area. Masks may be removed once you've proceeded to the dance floor. When your class is over, don your mask, proceed to the tiered seating area, change quickly into street shoes, and exit the building via the exit stair at the north end of the building. The next class may enter the building via the lobby & elevator, and wait in the 3rd floor reception, or the tiered seating area, until all of the previous class has exited the dance floor before proceeding to the dance floor. There will be mingling between groups in the reception and circulation areas, and mask wearing is required in those areas. Avoid touching surfaces.

Dance Volunteers & Single Participants

We work hard to achieve a gender balance for all of our classes. For those participants who do not have a partner, we arrange to have dance partners for them: i.e. other single participants, "Dance Volunteers", or the Instructors. The male or female "Dance Volunteers" do this on their own time (for free), and use their own gas money getting to and from the Studio. They often commute in from the outskirts of HRM, and a one hour class can eat up a total of 2 hours of their time. We don't want to have them waste their time getting to the Studio, only to find out that the single participant they're going to partner, did not show. It is imperative therefore, that we get at least 24 hours notice if the single participant cannot make it to a particular class.

Payment and Refund Policy

For those registering as a couple, payment in advance of the Dance Term is requested in order to "hold your spot" in a particular class. Payment is by e-transfer, cash, cheque or credit card. Send e-transfer to dwmnd@eastlink.ca. An e-transfer will be deposited automatically without the requirement of a "Security Question". Cheques are payable to "Michel Dubé". If payment is preferred by Visa or MasterCard, it is by phone only (we have no mobile card reading device). Credit card payments are processed at our home office, and credit card receipts will be provided on or before the 1st day of a dance term via email. Class size is limited, and registration is on a first pay, first served basis. Your spots are only secure after payment for the entire term is received. Registration and early payment is highly recommended.

For those registering as a single, payment is requested in advance of the Dance Term in order to "hold your spot" in a particular class. There are limited spots for singles in each class, and it's on a first pay, first served basis. Payment methods are as discussed above. Your spot is only secure after payment for the entire term is received. Registration and early payment is highly recommended.

As a single participant, you will be dancing with one of the following:

- A single male or female participant
- A male or female "Dance Volunteer"
- One of the Instructors

Should one of the Dance Partners or Dance Volunteers miss a class, one of the Instructors will fill in with partnering.

If a refund is requested, the following shall apply:

1. If the request is made between the 1st and 2nd class of a scheduled dance term (4, 6, or 9 week classes), a refund will be granted minus a \$20. /person drop in fee.

3. If the request is made after the 3rd class of a scheduled dance term (4, 6, or 9 week classes), the refund will consist of a credit note only, and to the value of the remainder of the dance term. A credit note is transferable to any party.

Dress Code & Shoes

1. Classes are a scent free environment (no perfumes please).
2. There is no dress code (casual clothing is recommended).
3. Students are expected to carry their footwear to the classes.
4. No street footwear on the dance floor (especially in winter).
5. Shoes should have a smooth bottom.
6. Dance shoes are recommended (refer to our [Links page](#) for dance shoe suppliers).
7. Sneakers are not recommended.
8. If footwear is an issue, woolly socks may be worn. (Socks are sometimes safer, especially for Level 1 classes).

Cancellations Due to a Weather Event

We live in Canada, and as such, students are expected to have winter tires installed on their vehicles (with studs if necessary). Every effort will be made to avoid a cancellation. A cancellation will reschedule the class to the following week, thereby prolonging the term one extra week. If a cancellation is called, it will be called not sooner than 4:00 PM on the day of the event. Notification of the cancellation will be indicated on our "no answer" telephone message. Additionally, we will notify students via phone and/or email. Cancellation will be called only if the following conditions apply:

1. Loss of electrical power at the venue hosting the classes.
2. Snow has fallen to a depth of four inches (10cm) or more by 4:00 PM on the day of the event, or there is a reasonable expectation that that amount will be exceeded by 8:00 PM on the day of the event.
3. The venue hosting the classes has shut down for the evening because of the weather event (out of our control at 1531 Grafton Street and other locations).
